

Re-registration Form

Catholic Schools are an integral tool of evangelization. We prepare each child spiritually, scholastically and socially to excel at the next level. The students in all grades interact in a nurturing learning environment. We achieve this through a high level of parent, teacher and the parish community involvement.

ENROLLMENT : The parent would like to re-enroll the following children at St. Mary School for the 2012-13 school year. To help us prepare for future enrollments, please list the names of your children that are not yet school age as well.
